Here are some interesting facts about Joomla!

- Over 210,000 active registered Users on the [Official Joomla! community forum](#) and more on the many international community sites.
 - over 1,000,000 posts in over 200,000 topics
 - over 1,200 posts per day
 - growing at 150 new participants each day!
- 1168 Projects on the JoomlaCode ([joomlancode.org](#)). All for open source addons by third party developers.
 - Well over 6,000,000 downloads of Joomla! since the migration to JoomlaCode in March 2007.
- Nearly 4,000 extensions for Joomla! have been registered on the [Joomla! Extension Directory](#)
- Joomla.org exceeds 2 TB of traffic per month!
